Jane Collier

"Jane has an incredible ability to digest vast amounts of information in limited time and to understand the most complex of matters."

— CHAMBERS AND PARTNERS, 2026

Year of call:	**1994**
Degree:	**BA (Cantab)**
Languages:	**French (working knowledge)**

Jane has an extensive public law practice specialising in data protection, education, energy, environment (including environmental information), freedom of information, housing, human rights, licensing, local authorities, National Health Service, pensions, social security, transport, and immigration and asylum.

In the regulatory field, Jane's work has involved energy regulation, housing, medical, healthcare and pharmaceuticals regulation, legal, accounting and financial services regulation, including issues concerning pensions, payments systems and prudential requirements, planning issues and transport regulation. She recently appeared as Junior Counsel for the North Sea transition Authority in Cox v Oil and Gas Authority.

In the field of environmental law, Jane advises on a wide range of issues including climate change issues and the impact of net zero, as well as issues relating to the environmental assessment, energy regulation and the environmental information regulations. She recently appeared as Junior Counsel for the North Sea Transition Authority in Cox v Oil and Gas Authority, and has appeared in a number of cases concerning environmental protection and Sites of Special Interest.

More generally, Jane also advises and represents clients on a number of issues concerning the application of the Freedom of Information Act and the General Data Protection Regulation and Data Protection Act. She appeared as Junior Counsel in the Upper Tribunal for UCAS in UCAS v Information Commissioner.

Jane's human rights practice spans and complements the whole range of her public law work, including immigration, environmental law, planning matters and questions arising in regulatory proceedings.

Jane continues to be recognised as a leading junior in the latest editions of both the leading legal directories, Chambers UK and Legal 500, for her expertise in admin and public, and environment. Recent comments include:

- "Jane has an incredible ability to digest vast amounts of information in limited time and to understand the most complex of matters." - Chambers UK, 2026
- "Jane is a real asset on very thorny judicial reviews and fact-heavy matters. She will interrogate everything, and is brilliant and collaborative to work with." - Chambers UK, 2026

- "Jane is a truly safe pair of hands who responds to complex legal queries with great speed."- Chambers UK, 2025
- "An approachable and responsive junior who has extensive expertise in information requests for environmental issues."- Legal 500, 2023
- "Jane is a dedicated adviser with an impressive breadth of expertise and legal knowledge. Her ability to digest documents at speed whilst picking up on all of the detail is fascinating."- Chambers UK, 2023
- "Her forensic approach is really hard to beat; no stone is left unturned. She is also really constructive in her suggestions and fantastic in supporting the wider team."- Chambers UK, 2023

Previous comments include:

- "Approachable and responsive and knowledgeable, she has real niche expertise in information requests for environmental issues."- Legal 500
- "She gets so close to the detail of the case - there really is no stone left unturned."- Chambers UK

EXPERIENCE

Public & Regulatory

Jane has an extensive public law practice specialising in data protection, education, energy regulation, environment (including environmental information), financial services and payments systems regulation, freedom of information, housing, human rights, local authorities and National Health Service, pharmaceuticals regulation, public procurement, social security, transport, and immigration and asylum. She appeared as Junior Counsel in the Court of Appeal in London Borough of Enfield v Secretary of State for Transport in a judicial review of the Secretary of State's decision on a rail transport franchise specification; and recently appeared as Junior Counsel for the Regulator of Social Housing in Inclusion Housing v Regulator of Social Housing.

"Jane is a real asset on very thorny judicial reviews and fact-heavy matters. She will interrogate everything, and is brilliant and collaborative to work with."

— CHAMBERS AND PARTNERS, 2026

In the regulatory field, Jane's work has involved utilities regulation, education, electoral law, energy, medical and health care regulation, including pharmaceuticals regulation, legal and financial services regulation, including issues concerning the Financial Ombudsman Service, planning issues and transport regulation, and the law on judicial appointments. She appeared as Junior Counsel for the Oil and Gas Authority in Cox v. Oil and Gas Authority.

In the field of environmental law, Jane has appeared in a number of cases concerning environmental protection and Sites of Special Scientific Interest, as well as advising on various related issues, such as the Habitats and Birds Directives, and waste management; and on climate change issues such as the net zero target. She also advises on the application of the Environmental Information Regulations, and appeared as Junior Counsel in the Supreme Court in Ofcom v Information Commissioner.

More generally, Jane also advises and represents clients on a number of issues concerning the application of the Freedom of Information Act and the Data Protection Act. She appeared as Junior Counsel in the Upper Tribunal for UCAS in UCAS v Information Commissioner.

Advocate: Jane is also an immigration case reviewer for Advocate, the pro bono charity of the Bar.

Junior Counsel for Ofcom in Information Tribunal, High Court, Court of Appeal and Supreme Court in case concerning the effect of the Environmental Information Regulations and the application of the public interest test. Counsel in remitted appeal to the First Tier Tribunal.

Commercial

Jane acted as Junior Counsel for the Gas and Electricity Markets Authority in British Gas Ltd v GEMA in the Competition and Markets Authority, in a case concerning an appeal against the authority's price control decision for electricity distribution network operators. She has also acted as Junior Counsel in the international arbitration field involving issues of public and public international law as well as commercial law.

Jane has also acted and advised in a number of cases involving contractual disputes and sale and supply of goods and services.

Jane's advisory public work also frequently raises commercial issues such as questions relating to confidentiality, corporate personality, and the protection of consumer interests and property rights.

Jane's interests in this field have led to her instruction in cases dealing with EU and competition law; insurance; company law; conflict of laws and public procurement.

Jane's work in freedom of information frequently involves her in issues relating to commercial confidentiality, breach of confidence, intellectual property rights and competition issues.

Cases

Advising regulator

Advising regulator (as Junior Counsel) on conduct of an investigation under the Competition Act 1998.
